UTAH BUILDING STONE SUPPLY
842 West 400 North
West Bountiful, Utah 84087
801-295-0601

STATE OF UTAH
Department of Natural Resources
Division of Oil, Gas, and Mining
3 Triad Center, Suite 350
Salt Lake City, Utah 84180-1203

Dear Sirs,

Accompanying are annual production reports for Dove Creek, Fisher Creek, Grouse Creek Mountain, Green Beetle, Lynn Spring, and Park Valley II stone removal and mining/quarry areas, along with the Enterprise Mill-site.

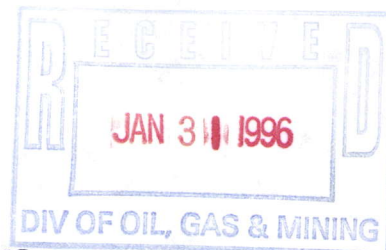

It is stipulated in the standard form for production reporting that a surface facilities map accompany the report of any area where there has been significant changes since the previous map was submitted. We would like to request that in those cases where the division determines an updated surface facilities map is required, that it refer to such SFM as submitted with current approved or proposed Plan of Operation for said area(s) when and if available. If such map is not available through a reference to the applicable P.O.O. within the Division, we would gladly furnish same.

Thank you for your consideration in this matter.

Sincerely,

Bill Bown

ANNUAL REPORT OF MINING OPERATIONS

The informational requirements of this form are based on provisions of the Mined Land Reclamation Act, Title 40-8, Utah Code Annotated 1953, as amended, and the General Rules as promulgated under the Utah Minerals Regulatory Program. An operator conducting mining operations under a Notice of Intention must file an annual operations and progress report (FORM MR-AR) with the Division.

I. General Information

1. Report Time Period: From (mo./yr.) 1/95 To (mo./yr.) 1/96
 2. DOGM File Number (Mine No): 510031027
 3. Mine Name: FISHER CREEK
 4. Mineral(s) Mined (or permitted to mine): QUARTZITE FLAGSTONE
 5. Type of mine ☒ Surface Mine or ☐ Underground Mine
 6. Legal Description (Location of Lands Affected):
1/4, SE 1/4, Section 8, Township 13N, Range 13W
1/4, SW 1/4, Section 8, Township 13N, Range 13W
1/4, NE 1/4, Section 8, Township 13N, Range 13W
 7. Name of Operator or Company: WILLIAM L BOWN
 8. Permanent Street Address: 842 WEST 400 NORTH
City, State, Zip: WEST BOUNTIFUL, UTAH 84087
Phone: 801-295-0601
 9. Company Representative (or designated operator):
Name: WILLIAM L BOWN
Title: OWNER
Business Address: 842 WEST 400 NORTH
City, State, Zip: WEST BOUNTIFUL, UTAH 84087
Phone: 801-295-0601
- ☐ Please check if any of the above information has changed since previous year.

II. Mining and Reclamation

1. Was the mine active during the past year? Yes ☒ No ☐
2. If active, how much ore or mineral was mined? 200 TONS

3. How much additional acreage was disturbed during the past year? 0

4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

THIS QUARRY HAS TWO "STEPPED" WALLS WHICH HAVE BEEN IN THEIR PRESENT DEGREE OF DEVELOPEMENT FOR 4 YEARS. NO NEW SURFACE DISTURBANCE, AS WE ARE YET WORKING THE EXPOSE WALLS. MATERIAL WAS REMOVED BY DIGGING AT WALL WITH EXCAVATOR

5. How much acreage was reclaimed during the past year? NONE

6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.

IT IS NECESSARY TO KEEP THE EXISTING QUARRY FACE IN IT'S PRESENT SIZE AND AREA. WHILE THERE IS NO NEW SURFACE DISTURBANCE, THERE WAS NO APPRECIABLE RECLAMATION DONE, AND OVERALL DISTURBANCE IN QUARRY PIT AND WALLS STANDS AT 2 ACRES.

7. What is the total disturbed acreage at years end? 4.0

8. Briefly summarize any mining and/or reclamation plans for the upcoming year.

PLEASE SEE ATTACHMENT "8"

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.

IV. Signature Requirement

I hereby certify that the foregoing is true and correct.

Name (Typed or Print): WILLIAM L BOWN

Title of Operator: OWNER

Signature of Operator: William L Bown

Date: 1-29-96

ATTACHMENT "8"

WE HAVE PLANS FOR THE REMOVAL OF 500 TONS OF MATERIAL DURING THE COMING YEAR. THIS WILL BE DEPENDENT UPON MANY VARIABLES, BUT IS AN APPROXIMATE, AND HOPED FOR AMOUNT.

ALSO, WE HAVE TOURED THE AREA WITH MR. LYNN KUNZLER OF DOGM TOGETHER WITH MR. DAN WASHINGTON OF BLM AND HAVE OUTLINED A CHANGE IN THE GRADE OF THE MAIN ACCESS ROUTE TO THE "EAST SIDE" QUARRY. THE NEW ROAD WILL RUN BELOW THE EXISTING ONE AT A MUCH MORE GRADUAL GRADE. THE EXISTING ROAD WILL BE RECLAIMED BY MEANS OF PULLING "BERMS BACK ACROSS AND OVER THE ROAD, GRADING AND RE SEEDING THE AREA.

✓ SEVERAL OF THE OTHER OLD EXISTING ROADS, AND TRAILS HAVE BEEN OFFICIALLY ABANDONED, AND IT WAS DECIDED THAT THESE WOULD BE LEFT TO SELF-ABSORB BACK INTO THE LANDSCAPE. GRASS IS TALL, LUSH, AND THICK ON MANY OF THESE ROADS, AND IT WAS DETERMINED THAT MORE HARM THAN GOOD WOULD RESULT FROM MECHANIZED RECLAMATION METHODS.

THE ACCESS ROAD ON THE WEST SIDE OF THE CANYON IS ALSO PROPOSED FOR ROUTE AND GRADE CHANGES, WITH THOSE PORTIONS NO LONGER TO BE USED, TO BE RECLAIMED BY USE OF THE SAME METHOD AS THOSE EMPLOYED TO THE EAST SIDE ACCESS ROAD RECLAMATION.
